

*Forbes Travel Guide — November 2013*

As a small boutique hotel, each of The Willcox's 22 rooms has a character all its own. Tall plantation shutters let in the warm Southern sun, highlighting beautifully reproduced, turn-of-the-century details on each room's wooden desk, wardrobe and intricately carved, four-poster beds. A cloud-soft bed — wrapped in a crisp white feather duvet and topped with plump feather pillows — is the ultimate in luxury, as are the marble and white-tile bathrooms. Just some of the many room amenities include evening turndown and access to a horse and dog concierge, a service that caters to the comfort of your four-legged friends.
